

Ham Radio

Woods Bay State Park will be hosting an Amateur Radio (also known as Ham radio) Program, with guest speaker Russell Wilson from the Florence Amateur Radio Club (FARC). Have you ever wanted to talk to people across the state, the country, or the world? Then come out to Woods Bay State Park to learn how to build, set up, and operate a ham radio. No DJ experience necessary for you to attend. All ages are welcome to this event.
